LOCAL FINANCE BOARD

Notice of Receipt of Petition for Rulemaking Electronic Disbursement Controls for Payment Purposes

N.J.A.C. 5:30-9A, 17.3, and 17.4; and 5:31-4

Petitioner: Charles M. Sabo, President, EPC Financial LLC, Bergenfield, New Jersey.

Take notice that on December 13, 2018, the Local Finance Board (Board) received a petition for rulemaking from the petitioner requesting that the Board amend N.J.A.C. 5:30-17.3 and 17.4 to permit local unit utilization of third-party payment systems for all vendor payments. Currently, N.J.A.C. 5:30-17 only permits third-party disbursement of local unit funds for payroll purposes or for payment of utility bills. Further, the petitioner requests that the Board amend N.J.A.C. 5:30-9A, Electronic Disbursements and Claimant Certification, and 5:31-4. Approval and Payment of Claims for Local Authorities, to harmonize said chapters with the requested changes to N.J.A.C. 5:30-17.

Petitioner states that the above-referenced amendment would enable local units to take advantage of payment processes that can add savings, as well as improve financial security, tracking, and accountability. Payment service providers, such as petitioner's company, can offer local units increased efficiency and a guaranteed savings on vendor payments without the local units having to pay additional fees.

In accordance with N.J.A.C. 1:30-4.2, the Board shall subsequently mail to the petitioner, and file with the Office of Administrative Law, a notice of action on the petition.

A copy of this public notice has been mailed to the petitioner.

EDUCATION

(b)

STATE BOARD OF EDUCATION Notice of Receipt and Action on Petition for Rulemaking

State Board of Examiners and Certification Swimming and Water Safety

N.J.A.C. 6A:9B-11.10(a)

Petitioner: Linda Bolger.

Take notice that on November 26, 2018, the New Jersey State Board of Education (State Board) received a petition for rulemaking from the above petitioner requesting the State Board of Education amend N.J.A.C. 6A:9B-11.10(a) to include a third option for the entity that issues a Water Safety Instructor Certificate required for a swimming and water safety endorsement to an instructional certificate. The Department of Education (Department) sought efarification from the petitioner, which was received on December 11, 2018.

The petitioner specifically requested the State Board adopt an amendment to N.J.A.C. 6A:9B-11.10(a)4 that requires candidates to hold a valid Water Safety Instructor Certificate issued by the American Red Cross or YMCA, to add the Flotation Aided Swim Training Program (FAST Swim Program^{1M}) as an issuer of the required certificate.

The petitioner's request indicated the FAST Swim Program[™] has a high standard of safety because the program uses a U.S. Coast Guardapproved Type III life jacket (flotation device) during instruction for nonswimmers, as well as a student-to-teacher ratio of 1:3. The petitioner stated the FAST Swim Program^{1M} also emphasizes that a non-swimmer who is not wearing a life jacket should be directly supervised within an arm's length by a certified instructor. The petitioner's request also stated the FAST Swim ProgramTM will provide a starter kit of 10 life jackets for each facility that adopts the program if the adopting facility is unable to apply for grants toward the cost of life jackets from the Association of Aquatics Professionals, USA Swimming, or Aquatics Research Group.

The petitioner submitted articles about children who have drowned in swimming pools and about the need for regulation of infant swimming instruction. The petitioner also stated that her recent visits and telephone calls to YMCAs and fitness facilities in New Jersey and other states indicate that non-swimming children are not being monitored within an arm's length when taking swim lessons and, instead, are using noodles during swim lessons or standing on a platform in water that is over their heads.

As stated in the notice of action regarding the petitioner's previous petitions on the same matter (see 50 N.J.R. 1443(a) and 50 N.J.R. 1908(a)), the Department does not possess the expertise to ascertain whether the petitioner's FAST Swim ProgramTM is comparable to the American Red Cross or YMCA programs. The petitioner did not submit evidence that the FAST Swim ProgramTM meets or exceeds the components of the currently required programs. The petitioner stated there is no agency that accredits swim instructor programs or a governing body that assesses whether one program is better than another. The petitioner submitted a Lifeguard and Swimming Instructor Equivalency Advisory list issued by the Florida Department of Health stating that the FAST Swim ProgramTM is an approved swimming instructor course; however, the approval is not evidence of program comparability.

Educator certification rules at N.J.A.C. 6A:9B are not the appropriate location to mandate class sizes or a school district's use of life jackets in swimming and water safety classes. The State Board also does not have the authority to require a pool facility operated by a private or nonprofit entity, or a public entity that is not a school district (for example, a county college), to provide equipment.

Therefore, the petitioner's request is hereby denied.

INSURANCE

(C)

DEPARTMENT OF BANKING AND INSURANCE THE COMMISSIONER

Notice of the Imposition of a Surcharge for Recoupment of the Property-Liability Insurance Guaranty Association Assessment

Take notice that, pursuant to N.J.S.A, 17:30A-16 and N.J.A.C, 11:1-6, the Commissioner of Banking and Insurance issued Order No. A18-105 on August 10, 2018. The Order provides that every member insurer of the New Jersey Property-Liability Insurance Guaranty Association (Association) that has paid an assessment to the Association due September 17, 2018, pursuant to N.J.S.A. 17:30A-8(a)(3) may impose upon policyholders a surcharge, in an amount not to exceed 0.6 percent of the net direct written premiums per annum for all kinds of insurance written by the member insurer except life insurance, accident and health insurance, workers' compensation insurance, title insurance, annuities, surety bonds, credit insurance, mortgage guaranty insurance, municipal bond coverage, fidelity insurance, investment return assurance, ocean marine insurance, and pet health insurance. The surcharge may be applied to policies that are issued or renewed on or after October 1, 2018. Copies of the Order were distributed to all member insurers of the Association. The Order may be viewed at the Department's website at www.dobi. ni.gov.
